Breakout Session Overviews

Breakout Session Format

Idea Generation - 15 minutes

The participants will provide brief ideas as the facilitator adds them to a whiteboard

- Be prepared to start on time and end on time
- Be succinct – state your idea, not an explanation of how to accomplish it
- Capture as many ideas as possible during the idea generation section
- Don't qualify ideas – just add them to the list
- Avoid “rabbit trail” discussions
- Share the floor – state one idea then let someone else speak
- The participants may need to raise their hands to allow the scribe time to capture the ideas
- All ideas are recorded

Discussion – 5 minutes

If an idea isn't understood, explain the idea - only if necessary

- Be succinct

Select Options 10 minutes

Multi-voting is used to determine the option priorities

- Each participant will be issued 10 sticky notes
- They put the sticky notes on the options
- The ideas with the highest number of votes will be discussed for additional planning

Confirm Selection – 5 minutes

Count the sticky notes for the obvious top ideas

- Determine the top ideas
- Brief reasonability check

Develop Follow-up Plan – 15 minutes

Develop a follow-up plan for highly ranked ideas with practical potential

- Select a project officer
- Select volunteers
- Determine a due date for the project and deliverables

Project Name 1, Project Officer 1

Deliverable	Owner	Due
