Commander's Intent

We have a treasure of aerospace education resources. To get the most value from these resources, we will develop schedules, kits and activities that are aligned with the CAPAE curriculum.

Compelling Senior AE Program

- Develop program kits that can be used by squadron AE officer
 - Satellite Tool Kit
 - Yeager Award
 - Model Rocket
- Celebrate Yeager Award graduates
- Utilize awards to recognize contributions and accomplishments
- Post awards and accomplishments on wing website
- Utilize external programs

Engrained Knowledge of Basic AE Curriculum for Cadets

- Focus on teaching the define4d AE curriculum to ensure cadets understand the material
- Develop kits for each AE module
- Develop compelling classroom activities
- Develop model rocket program kits for squadrons
- Prepare cadets to teach AE classes

Expanded Participation with External Organizations

- Provide kits for reliable and predictable aviation presentations, exhibits and hands-on activities
 - Adult organizations
 - Middle schools
 - Elementary schools
 - Home school groups
- Create Aviation History of Kansas kit – including CAP
- Post offerings on wing website

This brochure provides an introduction for all airmen of the Kansas Wing to our strategic direction. It reflects our desired state and provides the Kansas Wing staff with decision-making focus.
