Air Force Missions**

**Aligned to Support
American Red Cross**

**Expanded Support of State
Agencies**

**Expanded Radio Communications
Capabilities and Proficiencies**

Commander's Intent

We will align our resources and training to support our predominate missions.

Expanded Radio Communications Plan

- Increase the number of radio-qualified airmen
- Increase wing-wide participation levels of radio networks by airmen
- Continue to manage equipment inventory effectively
- Become proficient in launching mission sorties without the internet or mobile phones

Expanded Support of State Agencies and American Red Cross

- Improve geographic coverage for mission response
- Streamline training for state missions
- Increase the number and readiness of state mission-qualified airmen)
- Streamline administration for state missions, i.e., WMIRS job aids and training

High Proficiency for Air Force Missions

- Conduct well-attended search and rescue exercises
- Further develop small Unmanned Aircraft Systems (sUAS) capabilities

This brochure provides an introduction for all airmen of the Kansas Wing to our strategic direction. It reflects our desired state and provides the Kansas Wing staff with decision-making focus.
